## Paint Blast Party

This homage to Jackson Pollock party includes an hour and 30 minutes of instruction in our paint blast room, where you can and your friends can go crazy and use a variety of tools such as balloons, squirt guns, and brushes to douse everything with paint. Party-goers will work together to finish a massive 52 inch x 36 inch canvas for the host to take home. This party also includes an extra 30 min of studio time for gathering with your friends or family afterwards. Be prepared to get messy! All artists must wear clothes and shoes that can be covered in paint.
